

the WINDSOR CREEK TRIO

STAGE PLOT

Front Stage

The Windsor Creek Trio prefer a pre-fader monitor aux return feed for the monitors. May also use a wireless instrument system for bass, acoustic guitars and banjo.

Equipment

- 3 Shure SM 58 vocal mics plus one Shure SM 57 instrument mic or better.
- Direct instrument boxes acoustic/ electric guitars.
- Small bass amp or DI for acoustic/electric bass.

Instruments

- Vega 5 string banjo
- Gibson Mastertone 5-string banjo
- 2 Martin acoustic/electric guitars
- Ovation acoustic/electric guitar
- Guild Electric guitar
- Ibanez acoustic/electric bass

House Mix: As a primarily acoustic trio, The Windsor Creek Trio prefers warm, comfortable tones. Vocal harmonies are the primary focus of the group, so please try to keep the vocals as natural as possible. Some effects may be required for a “fifties –oldies sound” at certain portions of the concert –these songs will be annotated on **the song list and lighting cue sheet** we provide to the sound and lighting engineers.

Required a sound check w/ your tech crew a minimum of two hours prior to the doors.
